Response to Amendment

The rejection of claims 1-3 and 5-10 under 35 U.S.C. 112, second paragraph is withdrawn in light of Applicant's amendments.

Allowable Subject Matter

Claims 1-3 and 5-10 are allowed. The following is an examiner's statement of reasons for allowance:

The prior art recites selecting one or more insurance products with different features such as premiums and benefits (Ryan: col. 5 lines 13-20; col. 18 lines 33-36; col. 19 lines 46-53, Fig. 16); calculating a value index for insurance products (Ryan: col. 21 lines 58-60); and using the index to compare the insurance products (Ryan: col. 21 lines 58-67; col. 22 lines 1-46). The prior art also discloses the calculation of ratios of expected values over actual values (Bruckner: ¶ 31). However, the prior art does not teach "multiplying co-payment or coinsurance payment increments and decrements by typical utilization or cost levels, and then multiplying the foregoing result by a behavioral multiplier for a type of service."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
